ABOUT THE COURSE

The Sandbox, voted “Best New Short Course” by Golf Magazine, is a 17-hole short walking course at Sand Valley, providing an intimate connection to the sand county landscape of central Wisconsin. Located 50 yards from the Clubhouse and in the backyard of some of the lodges, The Sandbox plays through a restored sand prairie that sits within the same V-shaped sand ridge that frames the Mammoth Dunes course.

With holes ranging from 40 to 140 yards, the short course features unique green complexes found on the property, including a biarritz, double plateau, lion’s mouth, and a redan.
